About Kaiser On-the-Job®

Kaiser On-the-Job is a managed care organization (MCO) dedicated to providing employees with health care for work-related injury and illness. Kaiser On-the-Job occupational medicine specialists practice at our North Lancaster Medical Office and at nine medical offices in the Portland area, including Salem, Vancouver, and Longview. When you need care for a workplace injury, call for an appointment at the location most convenient to you. You don't need to be a Kaiser Permanente member, and you don't need a referral.

Initial appointments and follow-up care

- For urgent care, messaging, advice, nurse case management, or initial and follow-up appointments, contact the Occupational Health Service Center during regular hours.
- For after-hours care, call the general appointment number.

Be sure to mention that the appointment is for a job-related injury or illness.
