Safety and health services

saif
Work. Life. Oregon.

Our mission to create effective workplace safety cultures is driven by our vision to make Oregon the safest and healthiest place to work. In a great safety culture, safety becomes a lifestyle—a way of living and a way of doing business. We have a team of more than 60 safety and health professionals throughout Oregon who are ready to help you fulfill that vision.

About SAIF's safety and health services team:

Our safety and health professionals are committed to the success of your business by helping you make your workplace as safe and healthy as possible.

- We consult with business owners and key leaders to help make a compelling case for a safer and healthier workforce through effective injury and illness prevention efforts.
- Through a collaborative partnership, we help you identify and analyze injury trends and develop appropriate actions to help keep insurance costs down.
- We also help you identify and control workplace hazards to support a culture that delivers improved outcomes and a stronger bottom line.

For more information or to schedule a consultation to discuss how we can help you, please contact your safety and health professional, call 800.285.8525, or email safetyservices@saif.com.

Services available to our policyholders include:

- Safety and health evaluations
- Injury and illness performance assessment
- Industrial hygiene services (to evaluate chemical, physical, and biological hazards)
- Total Worker Health® education and resources
- Ergonomic analyses, evaluator training, Safety In Motion®, and Office Ergonomics by VelocityEHS®
- OSHA compliance guidance
- Training and education opportunities
- Policyholder seminars, webinars, and on-demand modules
- Safety and health resources in several formats (online, print, media)
