

PREVENT SLIPS, TRIPS, AND FALLS

# Surfaces

## Stairs

- Use the handrail
- Take one step at a time
- Limit your load
- Keep vision unobstructed

## Wet floors

- Clean wet areas immediately
- Use wet floor signs. Remove when dry
- Use mats with traction

## Parking lot and grounds

- Watch for uneven surfaces, curbs, potholes
- Clear leaves, debris, snow, and ice from walkways
- Adjust stride for weather conditions
